

Annual Report 2019-2021

As the new director of the CCC Foundation, I am so excited to share with you what the Foundation has accomplished over the last two years. You have helped us award thousands of dollars in scholarship funds and have assisted hundreds of students. You have also helped make CCC's very first cross-country team a reality! This time of year, we would traditionally be gathering for CCC's annual Students

First breakfast in honor of our scholarship recipients. Unfortunately, as Covid numbers continue to make gatherings difficult, we have opted to postpone the event until the spring. We eagerly await the spring when we can all be together again to celebrate our students' accomplishments and the power of education. Until then, take care and know that from the bottom of our hearts, we appreciate your commitment to access to education.

Warmly,

Dianna Sanchez, Chief Development Officer, CCC Foundation
