

Procedure 122-07 Energy Conservation

Sponsor: Business and Administrative Services

Purpose

The purpose of this procedure is to outline steps to manage and reduce energy consumption on campus in a manner that is consistent with the College's mission and goals.

Definitions

None

Procedure

The Facilities and Security Department is responsible to establish, implement and maintain this procedure.

The Facilities and Security Department is also responsible to ensure every effort to reduce energy consumption on campus is made, whenever possible, through the support and everyday efforts of faculty, staff, students, and college visitors.

The campus community shall acknowledge the importance of energy conservation on campus.
