Policy
Coconino Community College strives to achieve excellence in all methods of instruction. To accomplish this, the College establishes organizational structures that provide recommendations for the advancement and sustainability of educational excellence. This structure will be supported by the following committees: Instruction and Student Services Standards, Assessment, Curriculum, Credentialing, and Online Instruction.

The College ensures that committee meetings are productive and effective by providing required training and support and outlining standards and expectations for all committee members. The committee members are responsible for attending committee training and actively participating as a member of their committee(s).
