

Policy 501-00 Registration and Enrollment Services

Sponsor: Student Services

Policy

Registration and Enrollment Services policies ensure open admissions and appropriate registration into courses that the student is qualified for and to comply with any College, state, and federal regulations. Procedures include: admission requirements; residency requirements; registration information; placement, proficiency and prerequisites; catalog choice; student classification and standing; transcripts; and transferring credits to and from the College, including reverse transfer, and other related procedures.

Policy History

07/08/1999	New and Adopted by District Governing Board
