Reporting an Emergency

Call the Security Department or your area Police Department to report all emergencies, including fires or fire alarms, bomb threats, injuries requiring medical assistance, hazardous materials incidents, or any other incident requiring rapid response.

Give the person you contact the following information when reporting an incident:

Your name
Your location (campus address and room number)
Nature of the emergency
How many people are involved
Either security will call police, or if you are already talking to the police, they will dispatch the Police Department, Fire Department, Ambulance, or any other assistance as required.

IN CASE OF A LIFE THREATENING EMERGENCY, CALL 911
